

Display Chairs

That Knock You Off Your Feet!

For a new & exciting look, integrate your Director Chairs to match the design of your exhibit...

Standard Height 18"

Create an environment that promotes interaction between attendees and exhibitors. You can personalize a Director Chair with a company name, logo or sales message to match any display.

With Display Chairs, your customer will:

- Feel welcome
- Relax within your environment
- Stay in your booth longer to hear about your company and products

Counter Height 30"

Enhance the look of your exhibit by adding chairs that display your message!
