L Stand Set-up Instructions

Assemble the 3 mast poles each labeled bottom, middle and top.

Set assembled mast aside and unroll graphic. Attach mast base with pin as shown in Figure 1 at right.

Insert mast into hole in mast base. Hold mast in one hand then lift the top graphic hardware bar. Meet the mast top with the hardware bar and attach as shown in Figure 2.

Figure 1

Slide mast base into bottom graphic hardware as shown below.

Insert wooden pin through hole to secure the base.

Figure 2

Holding mast with one hand and top of graphic with other insert mast into the

small slot at center of the top of the graphic hardware bar.
