

Set Up Instructions

Includes:

- Carry case (Used as base of display)
- 2 graphics
- 4 ground stakes

1) Remove graphics from carry case.

2) Twist graphics open.

3) Line up both graphics and connect hook-and-loop velcro at top. *Make sure graphics are facing out.*

4) Unzip carry case completely and lie on the floor velcro side up. *This is your base.*

5) Connect velcro strips at bottom of graphics to the velcro on the carry case.

6) Connect velcro strips at ends of graphics to complete assembly.

Grommet tabs are located at the bottom of the graphics for ground stake use.
