SoftTouch Table Throws

Â

- Premium look for the best brand representation
- Soft Touch look, No shine, Matte upscale look
- Super for photography matte finish has no glare
- Multi color designs do not require space between colors like competitor throws
- Popular colors

Maximum logo size is 45â€™™â€™™w x 19â€™™â€™™h Soft Touch Logo is a computer cut vinyl material. The vinyl is transferred to any standard color twill table throw with a high temperature heat press. The vinyl is permanently adhered and will not peel, crack, or fade. It can be washed and ironed. Please refer to our Soft Touch vinyl swatch cards for available colors. Additional Soft Touch vinyl colors may be available â€™™ please call if you do not find the color you need.

Specs Care Instructions Machine wash cold or warm. Do not use bleach. Tumble dry on low setting. Do not exceed 120 degrees. Remove immediately to prevent wrinkling. Do not iron directly on the logo, iron on the backside of the image. Meets NFPA #701 standards.
